1982 Census of Agriculture Scope and Content

Realizing the need of the participation of prominent users of Agricultural Census data, in finalizing the scope and content of the forthcoming Census of Agriculture, I am glad to request you to nominate/be a member of the Sub-committee, the responsibility of which is to formulate the scope and content of the Census of Agriculture.

Herewith I am sending a copy of "An outline of the scope and content of the Census" which had already been circulated among the users, and a point form summary of suggestions and comments received in response to go through these and be prepared to assist the Census planners in finalizing the scope and content of the Census.

I will write to you in about two weeks time informing the date and venue of a meeting at which we hope to discuss & take decision on items relating to the forthcoming Census of Agriculture (1982).

Signed. W.A.A.S. Peiris.
