Overview

ABSTRACT

This special enumeration was carried out in order to fill the information gap in the Northern and Eastern Provinces observed while conducting the Census of Population and Housing 2001. This enumeration was carried out in the Jaffna District in the Northern Province and the Eastern Province.

The objective of this enumeration was to provide the necessary basic information needed to formulate development programs and relief activities for the above Districts.

This is a complete enumeration covering all the persons who are usual residents of households in the district.

DATA COLLECTION NOTES

An enumerator for each Grama Niladhari Division and a supervisor for each group of 10 GN Divisions were appointed with the help of the District administration. The enumerator listed all the building units and collected the information visiting every building unit within the area allocated to him. Close supervision has been maintained throughout the enumeration by supervisors. The necessary administrative arrangement in the District were carried out by the District Secretary and Divisional Secretaries and all the technical guidance was provided by the staff of the Dept of Census and Statistics.
