CONCEPTS & DEFINITIONS

1. **Labour Force** : The labour force is composed of the economically active population 10 years of age and over.

2. **The Economically Active Population** : is defined as those persons who are/were employed or unemployed during the reference period of the survey.

3. **Employed** : Persons, who during the reference period, worked as paid employees, employers, own account workers (self employed), or unpaid family workers are said to be employed. This includes persons with a job but not at work during the reference period.

4. **Unemployed:** Persons available and/or looking for work, and who did no work, during the reference period are said to be unemployed.

5. **Reference period** : In this survey there are two (2) reference periods, "current" and "usual". The "current" reference period is the week preceding the week of the survey, i.e., last week. The "usual" reference period is the preceding 12 months, i.e., the past 12 months.

6. **Currently Economically Active** : A person who was employed or unemployed during the current reference period is considered to be currently economically active.

7. **Usually Economically Active** : A person whose major activity during the past 12 months was employment and/or unemployment is considered to have been usually economically active.

8. **Currently Employed** : A person who worked for pay, profit, or unpaid family gain for one (1) hour or more during the past week is said to be currently employed.

9. **Usually Employed** : A person whose major economic activity during past 12 months was employment is said to have been usually employed.

10. **Currently Unemployed** : A person who did no work but was looking for work during the past 4 weeks is said to be currently unemployed.

11. **Usually Unemployed** : A person who was looking or available for work during the major part of the past 12 months is said to have been usually unemployed.

12. **Not in the Labour Force (not economically active)** : Persons who were neither working not available/looking for work are classified as "not in the labour force". Persons are not in the labour force for such reasons as: full time care of the household, full - time students, retired or old age, infirmed or disabled, or are not interested in working for one reason or another. Current and usual definitions apply.
