SERIES INFORMATION

Registration of vital events commenced in 1867 with the enactment of civil registration laws which conferred the legal sanction for the registration of events namely, live births, deaths, still births and marriages. According to the law every death has to be registered within 5 days from the date of occurrence. Although death registrations are compulsory by law, few events are missed and not registered for various reasons.

[By the survey conducted in 1980 to assess the completeness of the registration of births and deaths, it was found that about 98.8 per cent of births and 94.0 per cent of deaths are being registered in Sri Lanka in any given period].

Deaths are registered at the place of occurrence and not in the area of deceased.

DATA COLLECTION NOTES

When a death of an individual occurs, the respondent of the death meets the Registrar of Births and Deaths appointed for the area where the death occurred and obtains the death certificate.

A copy of the death certificate is sent to the Divisional Secretariat Office along with the monthly return of deaths which includes the details of deaths occurred in a particular month.

The Additional District Registrars receive the returns from all Divisional Secretariate offices attached to them. The Additional District Registrars send these returns to the Statistical Division of the Registrar General's Office for data processing purposes.
