A respondent from the general public reports the event to a local representative - (a Registrar of Births, Deaths and Marriages in the case of deaths and marriages or an officer in a public or private maternity home) and obtains a certificate from him. The Registrar/officer produces a monthly return from the vital event records (different formats for each type of event) and send it to the collection centre of the Additional District Registrar who in turn channels the returns to the Statistics Division of the Registrar General's office for data processing purposes.
